

## August 4, 2024 Olympic Dressage Finals Watch Party

Sunday afternoon several members of BACH and the dressage community gathered at the house of Cynthia Werner (BACH VP) to cheer on the finalists of the Olympic individual contenders for the top three medals. Even though there were no Americans left in the final round, several folks dressed patriotically.

The club provided some honey baked ham and everyone brought a dish. Marcetta Darensbourg brought some much-appreciated flan for one of the desserts.
